Excellent!

Per your suggestion, we are setting up a call for early next week to discuss incident command proposal, etc with DTSC, et al. I think it will include folks below. And you of course.

Good morning Steve,

Both Ana and I wanted to thank you so much for meeting with us and Asm Santiago's staff in LA this week! Your experience and insight are incredibly helpful Steve! Please pass on our thanks to EPA for your support.

As a follow-up, Ana will arrange a call/meeting with you, our new Assistant Director for Cleanup Program, Zolaikha Taghvaei Bayar, and the Exide Project Team sometime before June 9th.

Looking forward to our next discussion,

Kind regards,

Ana and Roger
